

OUR NEWEST  
**BIG IDEA**  
IN WATER PURIFICATION

**Everyone is calling it Revolutionary!**

From the global leader in water recycling, AquaRecycle® introduces **PURIFY**, the first non-membrane, maintenance and chemical free TDS removal system. This award-winning process expertly removes all minute particles and ions from recycled water, even dissolved solids.

In Tunnel Washer operations using minimal water, AquaRecycle® can reduce water usage to next to nothing!

Call today and ask for the PURIFY option, and get the best new idea in water purification.

**1-866AQCYCLE or 1-866-272-9253**

**AQUARECYCLE®**  
Clear water. Clear profit.™
