Water and Energy Costs in a laundry operation continue to spiral out of control. With an AquaRecycle® Laundry Wash Water Recycling System, you can reduce water usage by 80%, eliminate 90% of wastewater discharge, while cutting energy costs by 50% or more. With our patented, closed loop technology there is virtually no temperature loss from wastewater to recycled water. And with our AquaSmart™ tracking system, performance data is tracked daily and specially-designed reports are provided monthly to document all savings. So get control of your spiraling utility costs with an AquaRecycle® system today.
