At AquaRecycle®, we believe our best salesman is our customers. We are so confident in our **REPUTATION** in the laundry industry we annually publish our "Millions Saved Awards" which lists ALL our customers worldwide. And with 6 billion gallons saved we challenge companies to learn what our customers already know: Our recycling systems work great, our customers save millions, and we can brag about our 97% operational report card with savings and performance results to back it up. So, when its time to look at water recycling, don't just contact us, ask our customers about AquaRecycle's **REPUTATION**.
